CONTOURS TIMBER LINING BOARDS

PRE PRIMED PINE

BEAUTIFUL AND
RENEWABLE, PORTA
PRIMED PINE CONTOURS
TIMBER LINING BOARDS
CREATE A HIGH-END
RESULT WITHOUT THE
PRICE TAG.

Made from durable solid timber, Primed Pine Contours are ready to paint in a top coat that complements your space. There is no need to apply an undercoat, just select your paint colour and apply.

Contours in Primed Pine are perfect as a feature in residential or commercial projects. They are suitable for both vertical and horizontal applications, effortlessly adding richness and depth to the material palette.

Contours are designed for ease of installation with a secret fix tongue and groove connection. They are fast and easy to install by one person.

Contours in Primed Pine can be fixed directly onto prepared plasterboard, timber, steel, brick, or masonry wall surfaces.

The mark of
responsible forestry

Primed Pine Contours are FSC® certified. We are committed to sourcing timber from sustainable and environmentally responsible resources.

Inspired by the rolling mountains surrounding Ormiston Gorge in the Northern Territory, Primed Pine Contours in **Riverine** add natural warmth, texture and movement to any room.

RIVERINE LINA7821PIFP

Inspired by the Blue Lake in the Snowy Mountains region of New South Wales, Primed Pine Contours in **Cirque** soften strong lines and add richness to the material palette.

CIRQUE LINB7821PIFP

Inspired by crevices across the Macedon Ranges in Central Victoria, Primed Pine Contours in **Strata** are enhanced by its shadow gap for variation and interest.

STRATA LIND7821PIFP

Inspired by the valleys between the sandstone bluffs and cliffs in Rainbow Valley, Northern Territory, Primed Pine Contours in **Valley** envelope a space with gentle movement, tactile interest and natural warmth.
