## Mortice Euro Deadbolts

Providing extra security for your home with minimal installation effort, the **Mortice Euro Deadbolt** is the perfect solution to complete any entryway.

Unlike traditional locks, full body morticing is not required, making for a quicker and simpler installation.

A single heavy-duty stainless steel locking bolt extends from the door to the door frame ensuring durability and strength.

Deadbolts are sold individually, or with a 65mm cylinder, square or round escutcheon pair and matching finish faceplates.

### Available options:

Mortice Deadbolt Euro Round Escutcheon in Key/Key or Key/Thumb

Mortice Deadbolt Square Euro Escutcheon in Key/Key or Key/Thumb
